05 September 2023

Dear Parent/Carers,

The Royal Navy Section has secured sailing time at Hawley Lake Camberley. With the kind permission of the head teacher, the cadets will leave school at 12:45hrs each Monday on the dates listed below and returning to Ash Manor at approximately 18:00hrs.

Where: Hawley Lake Military Training Area Camberley GU17 9LP

When: Monday 18th & 25th September and 2nd 9th & 16th October 2023.

Dress: Navy Blue Uniform – to be worn to travel in both directions

Packed Meal: All cadets are required to bring a packed lunch drinks/snacks

Cost: There is no cost for this training

Facilities: Changing Rooms are available on site for the cadets.

Equipment: Old trainers or wetsuit shoes, tracksuit bottoms and/or shorts (lightweight not cargo) T-shirt, thin jumper, thin waterproof jacket, socks/underwear, towel, shower gel/shampoo etc. (LIDL are currently selling wetsuits (limited supply) should you wish to purchase one).

No Jeans/ Hoodies or Boots to be worn on the water - this is a very strict rule.

Please be aware that the cadet's clothing may get wet or damaged during the activities.

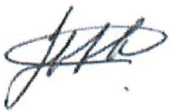

The primary purpose of the course is for the cadets to enjoy the opportunities offered by CCF (RN) and to widen their experience of life in the Royal Navy. However, their personal appearance, standards of dress and bearing are, of course, to be good enough to reflect credit on our school, the CCF (RN) section and, most importantly, on themselves.

Confirmation of attendance is via email and is required by **15:00 on Thursday 07th October 2023**. Please email ccf.camps@ashmanorschool.com with the subject heading "RN Sailing Hawley Lake" – Consent – your child's name. We appreciate that this is a very quick response time but the invitation to attend was only received yesterday afternoon.

Should you have any queries, please do not hesitate to email ccf.navy@ashmanorschool.com and a member of the CCF staff will get back to you as soon as possible.

Yours faithfully,

WO2 (SQMS) Chalmers J
School Staff Instructor (SSI)
