COVID-19 Catch Up Premium

As a school, our primary strategy to address educational disadvantage, whatever the cause, is through quality first teaching. To that end, to date we have used the COVID catch up premium on creating smaller class sizes as below as well as providing some small group tuition, using the EEF Toolkit as a guide to the most efficacious interventions.

The quantitative impact of these actions will be assessed and reported at the end of the academic year once all data is submitted and more analysis can be undertaken.

Action	Year Group	Impact on students	Approximate cost
Additional class in Y7 English for the first half term	7	<ul style="list-style-type: none"> Smaller class sizes across the year allowing for more intensive support in every class for the first transition half term to address the impact of missed learning in Y6 No of students impacted: 210	£9624
Additional class in Y7 Maths	7	<ul style="list-style-type: none"> Smaller class sizes across the year allowing for more intensive support in every class for Y7 allowing students to address missed learning from Y6 as well as to ameliorate the impact of continued disruption to Y7. <i>Maths provision runs for the full academic year to reflect the local challenge in Maths provision at KS2</i> No of students impacted: 210	£14934
Additional class in Y8 Maths	8	<ul style="list-style-type: none"> Smaller class sizes across the year allowing for more intensive support in every class for Y8 allowing students to address missed learning from Y7 as well as to ameliorate the impact of continued disruption to Y8. <i>Maths provision runs for the full academic year to reflect the local challenge in Maths provision at KS2</i> No of students impacted: 210	£14934

Additional class in Y11 Maths	11	<ul style="list-style-type: none"> • Smaller class sizes across the year allowing for more intensive support in every Y11 class, allowing students to address missed learning from Y10 as well as to ameliorate the impact of continued disruption to Y11 • Smaller lower ability class to ensure least able students are able to catch up missed learning and secure a solid numeracy foundation to support them achieving and sustaining college places post-16 <p>No of students impacted: 198</p>	£14934
Small group tuition – Science	11	<ul style="list-style-type: none"> • Weekly small group tuition delivered by a specialist subject teacher in the Autumn Term <p>No of students impacted: 44</p>	£3546
Small group tuition – English	11	<ul style="list-style-type: none"> • Weekly small group tuition delivered by a specialist subject teacher in the Autumn Term <p>No of students impacted: 18</p>	£1493
Small group tuition - Maths	11	<ul style="list-style-type: none"> • Weekly small group tuition delivered by a specialist subject teacher in the Autumn Term <p>No of students impacted: 14</p>	£1866
